The Human Intelligence Network  
Enhancing Knowledge  
For  
Actively Engaging Communities Through  
Research and Interaction Offering New Solutions

Respected Community Leaders,

Think for Actions would like your support as a collaborator/partner in our effort to hold a national survey focusing on the communication gap between Muslims and the rest of the Canadian public.

We need your help in spreading the word and joining our initiative! We anticipate that you will promote the survey and conference through your website, social media forums, and email.

**If you decide to be a partner, please email to us at: [research@thinkforactions.com](mailto:research@thinkforactions.com)**

## CANADIAN COMMUNICATION ENGAGEMENT STUDY 2017

Objective and Outcome of the Study:

- To assess the communication gap between Muslims and Other Canadians
- Find areas where we can improve communication
- To plan on how to educate the Muslim and non-Muslim population
- To open the communication channel so that people are comfortable asking questions on sensitive issues
- Demystify Islam and Muslims

**Data Collection:** Nationwide survey across Canada, consenting respondents should be of age  $\geq 18$ , online data collection through: <http://www.thinkforactions.com/>
